MEMORANDUM FOR: Executive Secretary, USIB
SUBJECT: USIB Research Studies
REFERENCE: USIB-D-27.1/22

The National Intelligence Survey Program is based on coordinated research being conducted in support of the Program, in accordance with National Security Council Directive No. 3. Agency components as well as USIB and non-USIB departments participate in this continuing effort. The NIS is disseminated to a wide range of recipients in the policy, planning, operation and intelligence fields. The NIS is published under a CIA imprint with sections appropriately credited to the contributing agency.
